Thanks to Kings College and Mike Boucher for organising this race, and marking the course, to Richard England and Pete Mulholland for marshalling, and to Tom Pollak and Phil Wicks for helping with times and discs.

4th League Race

This race will be held on Hackney Marshes, on Wednesday 3rd December at 3.15pm.

It is being organised by LSE and Eton Manor AC. There are changing rooms and showers at Eton Manor AC clubhouse at:

The Cottage
Marsh Lane
Leyton E10

The start is about half a mile away, so if you using the changing rooms you will need to leave them by 3.05pm. There is a new bridge from the golf course onto the marsh, and the start is at the other side of this, on the marshes.

To reach the race by public transport, take the Central Line to Leyton. Turn right out of the station and go to the bus stop the other side of the road. From here take the 58 or 158 bus (towards Walthamstow not Stratford), to the seventh stop, at the top of Marsh Lane. The alternative is a walk of about a mile.
